## A SELECTION OF BEAUTIFUL TREES TO ENJOY!

As we are preparing this letter, we realize everyone else is probably as crazy busy as we are! This time of the year seems to creep up faster and faster the older we get. In all the hustle and bustle, we hope each of you can slow down long enough to enjoy family, friends, delicious food, and the beautiful trees around you!

Here is a selection of Christmas trees through the ages...

As we wrap up 2024, we want to thank everyone that has helped us make this our most successful year to date! We appreciate every aspect of your support. Enjoy your holiday season and see you in 2025!
