

INTO THE WOODS...

Volume 24/ Issue 9

OKLAHOMA WEATHER IS UNPREDICTABLE!!

We had an unusual storm hit the Norman/Noble area and left us quite a mess!! We had over 9 inches of rain in a few hours and strong wind downdrafts. There is a lot of tree damage! Some of the trees looked like they were twisted in half!! The buildings were mostly spared. We're hoping the damaged trees will survive; time will tell.

ONE STOP SHOPPING! GIFTS FOR EVERYONE ON YOUR LIST, INCLUDING YOURSELF!

Wouldn't it be nice to be able to buy beautiful, handmade, locally harvested, one-of-a-kind presents for all your special people; well, we have what you're looking for! It can be hard finding that perfect match of gift to recipient. Buying online can be disappointing when the item does not meet up to its pictures. You can come touch and handle our products and be absolutely sure its what you want.

Here are some of our most popular gifts: lazy Susans are not only functional but also beautiful, gorgeous magnetic knife holders and solid hardwood cutting boards.

We have just began making items for kids (or for the young at heart). This has been a fun endeavor. We keep lathe turned spinning tops in a tray at the front of our booth, to let everyone play as they walk by. Our "critters" make a great tactile diversion. Who wouldn't be intrigued to try to solve the "last one standing" golf tee game.

Looking for that perfect teacher/hostess/secret Santa gift? Well, here are some great ideas...pencil cup holder, oven or air fryer push puller, taper candle/live edge vase, turned bowl or a set of tied coasters.

OR maybe you're looking for something to brighten up your home or to use for entertaining, such as, glow-in-the-dark snowflakes, wine bottle holder and stopper, primitive Christmas trees, or a live edge charcuterie board.

Let us know if we can help you with any of your holiday shopping. We hope you find all the perfect gifts for your friends and family and we wish everyone a wonderful holiday season!

Joel and Diane

Tree fact! “Woodn’t” you know? In 1923, President Calvin Coolidge started the National Christmas Tree Lighting Ceremony now held every year on the White House lawn.
